

# TABLE OF CONTENTS

## CHOOSE DECORATIVE, CLEAR OR OBSCURE GLASS.

Most ODL Decorative Door Glass is sealed between two panels of clear, toughened glass to make a triple pane unit. This prevents tarnishing of the coming and makes the glass easier to clean! Look for the triple pane glass icon when you're selecting glass.

Clear, obscure and silk-screen panels are constructed using two panels of clear toughened glass.

All ODL insulated decorative door glass features a 20 year warranty.

## MAINTENANCE-FREE DOOR GLASS CASSETTES

ODL offers the widest selection of door glass cassettes in the industry. White, through colour and PAS 23/24 available in a variety of shapes and sizes, all designed to work on 44.5 mm thick doors. Cassettes can be painted or stained.

## PRIVACY RATINGS

Each door glass design is assigned a privacy rating to help you choose the obscurity that's right for you.

Raise & Lower Door Shade 2264RLS

# Light-Touch® DOOR GLASS BLIND (RLB)

Privacy Rating 1/5/10

- Blinds adjust for complete light block, and the privacy channels on each side eliminate light gaps when the blinds are closed – no street light shadows or sunlight glare.
- More privacy at night and increased sense of security.
- Ergonomic design principles place fingertip control within easy reach.
- **20 Year Glass Seal Warranty**

U.S. PATENT NO. 6,601,633

A single operator controls the raise, lower & tilt for optimal light control.

Blinds lower neatly within full privacy channels to eliminate light gaps.

Uniform color in components provides a clean aesthetic look.

Privacy channels eliminate light gaps

More privacy at night.
